We recently wrote to all Members of the House of Commons and the House of Lords regarding the subject of **Fixed Odds Betting Terminals** and our campaign to **Terminate the Terminals**. A copy of this letter is available at our website. As part of our campaign to **Terminate the Terminals** we recently established www.fairandopengamblingireland.net. Please visit this website.

Announcement by Prime Table Games

The Association of British Bookmakers recently implied that the campaign to **Terminate the Terminals** was commercially motivated. By this announcement we are making public the fact that we will not enter into any commercial agreement with any bookmaker or **Fixed Odds Betting Terminal** content provider regarding the game Three Card Poker™ or any of our other games.
